

Vancouver School Board

## Post-secondary Transition Information Forum For Students With Disabilities

A venue on services, programs and resources to support students with disabilities transitioning from secondary school to the community.

### Who Should Attend

The forum is aimed at students in grades 8 through 12, parents, caregivers, counsellors, teachers, resource support staff, social workers, career center coordinators, community-based support staff and those interested in current information about post-secondary programs and services.

### Presenters

Post-secondary Special Needs Programs:

- Capilano University
- Douglas College
- Kwantlen Polytechnic University
- Vancouver Community College

- Ministry of Children and Family Development
- Adult and Children Community Living Service Providers and Associations
- Post-secondary Disability Advisors
- Community and Transition Services
- Vocational Rehabilitation Services
- Community Recreation Services
- Employment Agencies

Participants will have the opportunity to talk to presenters and collect materials.  
A Resource Fair of tables and information will be on-going.
