

Are you interested in becoming a Volunteer with Camp Without Borders?

Volunteers help out in every aspect of the program including our fundraising efforts and facilitating parts of our trip! Since we rely completely on volunteers, we look for committed, adventurous, and compassionate individuals to help support our adventure travel program.

If you would like more detailed information such as job description, qualifications and volunteer application, please refer to our website.

How Can You Help Out?

In an effort to eliminate cost as a barrier to individuals with disabilities, we rely on contributions from the community to outfit our camp and to facilitate our Adventure Travel Program. Camp Without Borders needs not only funds, but equipment.

We would be more than happy to accept your extra tents, sleeping bags, lanterns, or other camping gear. Please check out our wish list and list of our travel necessities on our website!

HOW WE WORK

Our goal is to create travel opportunities that:

- 1) fully covers the cost of travel for participants and volunteers
- 2) Modify and adapt to meet the physical, and medical needs of individuals
- 3) Promote independence and empowerment through social and life skills
- 4) Offer fun travel experiences through a safe, creative program

We develop these opportunities by:

- Fundraising every dollar needed to cover the full travel cost
- Creating fundraising initiatives in which each individual (participants and volunteers) contributes to meet the target budget
- Operating an organization that is 100% volunteer based; therefore, there are no salaries to cover in our program
- Seeking necessary donations and accepting program items from our wish list
- Adapting our travel plans and equipment to meet the needs of the group
